Mr. J. Sherman Mitchell,
c/o Messrs. Mitchell & Ferris,
30 Broad Street,
New York, N. Y.

Dear Mr. Mitchell:-

I am very glad to have had a talk with you in New York a day or two ago. I have added the Cuban coins, which you were kind enough to give me, to my collection, but I feel that I may be depriving your boy of the pleasure of having them, and I am therefore sending you herewith a couple of curious Siamese pieces, which might amuse him.

Very sincerely yours,
